Other Great Stops Along the Way: ✨ **Eugenia Falls Emporium:** Taste a milkshake or browse the eclectic antiques in a renovated gas station and garage façade. www.eugeniafallsemporium.com 519-924-0344

TIPS

- To take the best shots of Grey County's waterfalls or gardens, wait for an overcast day. Also to capture the "smooth and silky look" in waterfall photography, place your camera in a tripod, and then set your shutter speed to 1 second or slower.
- Don't forget to wear comfortable walking shoes for this tour as there is a short walk to each of the falls from the parking lot.
